Greetings Brethren,

Fall has arrived but the weather has been very mild. That makes it possible to get all the last minute jobs finished outside before the weather the weather changes to cold.

On Tuesday, September 23rd, we had a nice 50 year presentation for Brother Richard Weisner. Since he was unable to come to the Lodge, we went to Whispering Pines where he resides. Hi wife and son were there with other brethren and members of Eastern Star making it a room full of guests.

At our last stated meeting, Brother Bob Samuelson was presented with a certificate for 50 years in Masonry at the Lodge making it a special time for him and his family. Easter Star was also present, but his wife was unable to attend.

Please keep in mind the meal before the meeting. It is a great time for fellowship and meeting old and new friends. Bring a guest with you. I know they will have a great time.

Fraternally Yours,

John Sullivan Master HSB#174

October 2014

Greetings from Honor Chapter,

Our first meeting was a busy one with the budget, installation of two officers and yearly reports, but we still managed to have fun.

We had five members of Honor Chapter visit Martha Washington Chapter in Green bay on Monday the 8th for their official visit. Connie and Alice were pro-tems for them and we “recaptured” our moose. Come to our meeting to see our special moose for the year. (If it doesn’t get captured by another chapter.)

Our School of instruction with sister Kay Smith went very well. She was very helpful in her teaching and it’s looking good for the official visit on October 2. Please try to attend our official visit. We will be having a nice plated meal at 6:00 p.m. With the meeting to start at 7:30. Give Bonnie Kohn a call or e-mail if you are coming t the meal., so we will know how many to prepare for. Her number is 920-746-9362 or blkohn33@gmail.com

Also, if you bring a buck or two (buck....moose....get it?) along, you will be able to buy some moose bucks or fair dollars from Linda Christ, our Grand Esther. The money is supporting American Diabetes Association Research Foundation and Masonic Medical Research Laboratory. We have tow buckets to fill with bucks and pennies. They will be turned in to Grand Chapter in May.

Dates to remember:

If you have a program or presentation that would be appropriate for our meetings, please contact Ross or Mariellen. We are looking for interesting/entertaining programs for the year. Also, there are refreshments committee opportunities available. If you have any desire to provide a snack after any of our meetings, please contact Mariellen to volunteer (920-743-7387).

Please consider calling your OES neighbor to hitch a ride to our meetings and events. We can't pick you up if we don't know you are wanting to come. You all missed a good joke last meeting, but I know there are lots more where that came from. Come join us and have some fun with your sisters and brother.

I would like to say thank you to all the people that helped make our official visit a great night. From the temple room and dining room set up, to the wonderful meal served by Ed and Julie Haen, and all the memory work, the evening was a true success. Thank you sisters and brothers.

EDITOR'S EPISTLE

By Mark Fischer

Greetings to all,

I had written a different article, but decided to change it . As you probably already realize, this newsletter is a bit late. My apologies as I work out computer issues. I have been trying to get things in order with the new hard drive, but have not worked out all of the missing programs. After three computers and two different publisher programs, we have finally arrived. November's newsletter will be finished in a more timely manner, I promise you that.

It is always a special occasion to celebrate longevity with members of our Lodge. In September, we not only celebrated one 50 year member, but two. First to Brother Richard Wiesner. I was happy to be in attendance and to see a smile on his face during the presentation was something that made me proud to be a Mason. At our stated meeting on September 25, Brother Bob Samuelson also received his 50 year certificate. I had the privilege to escort him to the East. Shortly after I had been raised a Master Mason, Brother Samuelson was in attendance in Lodge and shared some advise with us. I just wanted to thank him again for those words of wisdom and encouragement that inspired me to get involved more and will not forget them any time soon. Thanks to both of these brothers for setting great examples for me and for other members of Henry S. Baird.

The Magic show was a success, There was over 100 people in attendance for the performance. It was a totally new magician with new magic tricks. If you get a chance next year, grab your kids, grand kids, nieces nephews, and come on down and fill the seats. Your missing out on a great family night of entertainment.
