

Words from the East

Continued from page 1

One note you should be aware of, the need to have a prospective member do the asking is no longer required or needed. You are free to ask gentlemen you may know to be good candidates for masonry, ask and help them become a mason. This based on an edict from the Grand Master. I know many of you may not like the old Man To Mason method, but this new process is a good way to help men who may not have the time to go through the degrees over a length of time.

As another masonic year comes to a close in December, I hope everyone has had a chance to attend a lodge meeting. I also again want to thank the members of H.S. Baird lodge for allowing me to serve as your Master this last year. During the summer, I served as a chair person for the Kewaunee Farm Technology Days 2017. I had the chance to meet a lot of people from the Kewaunee area and work with some really great people. The outcome to this event will result in a great number of charities in that county receiving help with their budgets.

Meetings First and Third Thursdays of Each Month, 7:00 P.M.

Honor Chapter No. 1, O.E.S.
Sturgeon Bay, Wisconsin 54235

Greetings Sisters and Brothers!

September was a busy month for Honor Chapter. At our stated meeting on September 7: 1) We honored our Life Members, and recognized six (6) new Life Members: Susan Shefchik, Irene Radtke, Linda Dusendschon, Joanne Coleman, Myrle Welhaven, and Joyce Beth.

Congratulations to each of you! Your service to our beautiful order is very much appreciated! 2) We balloted on two petitions for membership--Steve Merath and Robert Dodson, both from Green Bay, will be initiated into our Order at our stated meeting on October 5. Let's keep our membership growing! On September 21 we held our School of Instruction with our District Deputy, Claudia Kosman, with all ritualistic work being exemplified. A salad potluck was held prior to the School and I think I can safely say no one went away hungry. Thanks to all of our Star Cooks who brought the yummy salads, and thank you to the Refreshment Committee for their wonderful desserts.

I am happy to report that Sister Myrle Welhaven is doing well. She unfortunately provided us with a bit of excitement at our School of Instruction--she took a nasty fall after the potluck prior to the School. She suffered a laceration to her cheek and large bump to her head; no broken bones. Myrle was quite the "trooper"--taking it all in stride and charming those attending her with her one and only "Myrle-isms."

At our October 5 meeting we will be initiating the two new members mentioned above. Sideliners would be most appreciated in welcoming our newest members.

I'm proud to report that 11 members have signed up for our FUN night on October 19 to attend the performance by the Northern Sky Theater, "Naked Radio," at the Door County Auditorium in Fish Creek. If you would be interested in going out to dinner before hand, and will not be at our October 5th meeting, please call me at 920-388-4472 or e-mail me at "aquacenter@itol.com" on or before October 12 so that I can let you know the dinner plans, if any.

It is an honor to serve as a grand officer, and arrangements can be made to car pool if you want to attend but are worried about traveling the distance.

EDITOR'S EPISTLE

Well my brothers and sisters,

It is the home stretch of 2017 with less than three months to go and I have but two more newsletters left to publish. I am hoping to put together something special in the last two publications. It has been an honor. Special thanks to Mitch Custer for stepping into the role. He will do great things with this.

A couple of upcoming events over the next few months are:

November: Veterans Day Please honor our vets that day if you can. There are numerous events in the area during this time. One Is the Veterans Day concert at Prince of Peace Church on November 5. As most know I am in the community band here in Sturgeon Bay. And this is one of our two seasonal concerts we perform. If you are not doing anything that evening at 7:00, stop on in to hear some great music and support our veterans. There is a free will offering where proceed go to the local VFW. And thanks to all of the Lodges veterans for their service.

November also brings us to our holiday delivered meal. Please help if you can with this project. It is a great community outreach project that warms the hearts of many.

The Magic show was held at Stone Harbor again this year. Tim likes the accommodations there and finds the staff to be very helpful. The show was in low attendance this year as about 30 people were there. The show was changed up a bit and was liked by those who came. The magician told me that sometimes the early shows are lightly attended as many are just getting back into the routine of the school year. We will find out more on how much was fundraised at one of our upcoming meetings.

Hope to see you there,

Mark
